

OLYMPIC STUDENT EXCHANGE
TRAINING AMBASSADORS FOR OLYMPISM

WHY OSE?

Allowing young athletes from all over the world to
experience a season in a foreign club.

*The objective of Olympism is to make
youth serene and confident.*
Pierre de Coubertin

THE OSE RESPONSE: An INITIATORY SPORTING EXPERIENCE

OSE contributes to this objective by making every season abroad
an **initiatory sporting experience**.

This experience thus helps a young person
to reveal themselves to themselves.

OSE IS BASED ON ONE PRINCIPLE: RECIPROCITY BY COUNTRY AND BY SPORT

A young person is
welcomed
by a club and a family.

They are integrated into
their club,
their school, their
community.

Each one receives
as much as they give.

In return, their club
and their family welcome
another young person.

They live the same
experience
with them.

OSE IS A SIMPLE IDEA

1 club

1 family

Simple, universal, and immediately understandable.

All sports. All young people.
